and their families in the
New York area*

THE EUGENE ZITWER FOUNDATION, INC.

is a not-for-profit organization that was formed on March 18, 1991. The Foundation was established to keep Eugene Zitwer's memory alive by perpetuating the love and laughter he generously gave during his lifetime. Eugene Zitwer, also known as "Uncle Yuddy," brought love and cheer to everyone he met, especially children. By providing entertainment, toys and special events to seriously ill children in the New York area, The Uncle Yuddy Fund brings love, laughter and emotional support to these children and their families during their times of need. The Foundation also refurbishes hospital pediatric playrooms, provides funding for medical procedures, provides funding for professionally supervised extended playroom hours, provides funding for summer camp and holiday programs, and purchases video libraries and equipment. The Uncle Yuddy Fund is a celebration of life. The charity is run solely by volunteers.

A copy of the Foundation's latest financial statement can be obtained by writing to the Foundation.

We are trying something new this year for our annual event. We hope you support this endeavor. By eliminating the costs associated with catering, entertainment, prizes, decorations, etc. for the event, more funds will go toward our programming, thus improving the quality of life for our patients and their families.

Each donation is tax deductible as allowed by law.

In loving memory of our founder, Edith Zitwer
