Dear Ms. Dashow:

On behalf of Beth Israel Medical Center, I extend our most sincere thanks to The Eugene Zitwer Foundation for its grant of \$1,200. This thoughtful gift will support holiday staffing for our Child Life Program in the Milton and Bernice Stern Department of Pediatrics.

The Child Life Program plays a significant role in making the hospital experience a positive one for our pediatric patients. The program gives young children the psychological support they need to overcome fear and allows them to play in as normal a way as possible despite illness or injury.

We are delighted that the Zitwer Foundation has chosen to renew its support of this vital program. Thank you again for your ongoing partnership in our work.

Sincerely,

David J. Shulkin, M.D.
