President

Dear Mrs. Zitwer-Millman and  
Mrs. Weibtraub Dashow;

On behalf of our Division of Pediatric Hematology/Oncology, I would like to thank you for providing the means (\$2,700.00) to support a Child Life Therapist from Monday, August 17, 2009, to Monday, November 16, 2009, 20 (twenty weeks). In the short time Lauren has been with us she has made a difference. She has a great personality and works wonderfully with the patients. This has happened because of your kindness and generosity, and the reward is in knowing that the effort that goes into every dollar generated for the activities you support is used responsibly.

We appreciate everything that your organization does for our division and our patients appreciate it even more.

On behalf of the Staff and Families of the Pediatric Hematology/Oncology Division, I would like to thank you for your continued support of our programs.

Sincerely yours,

Kusum Viswanathan, MD  
Vice-Chair, Department of Pediatrics  
Chief, Pediatric Hematology/Oncology
