The Eugene Zitwer Foundation
Attn: Ms. Sharon Weintraub Dashow
50 Court Street, Suite 702
Brooklyn, NY 11201

Dear Friends:

On behalf of the Board of Directors and most especially the children we serve, I thank you and the members of the Eugene Zitwer Foundation for their generous gift of \$2,080, received December 27, 2006, to our mission and program. This money will be used to fund four hours of programming in our Inpatient Playroom.

From its beginnings in 1949, Children of Bellevue has initiated and funded special programs for their children and their families, while helping them navigate through Bellevue. Today, more than 87,000 children benefit from Children of Bellevue's pediatric programs annually.

As always, we thank the Foundation for its generosity and look forward to continuing our work together on behalf of New York City's most vulnerable youngsters.

Sincerely,

Barbara D. Paxton
