Dear Ms. Zitwer-Millman:

On behalf of the Board of Directors and the children we serve, I thank you and The Eugene Zitwer Foundation's Uncle Yuddy Program for your contribution of \$2,080.00 to Children of Bellevue. Sixty years ago a remarkable group of volunteers created this organization. Their vision, and the work that Children of Bellevue has accomplished over the past decades has changed pediatrics and hospitalization for children for the better around the world.

Today Children of Bellevue remains a collaboration – between pediatricians, nurses, social workers, child development specialists, reading specialists, art and dance therapists, and volunteers. Its programs touch over 20,000 children every year, many of whose families bring them from neighborhoods far from Bellevue Hospital. Why? Because of the support of friends like you enables Children of Bellevue to make Bellevue a very special place.

Thank you for your support.

Sincerely,

Barbara D. Paxton  
Chief Development Officer
