October 18, 2013

Dear Members of the Board,

On behalf of the Mount Sinai Kravis Children's Hospital, the Child Life Department and the pediatric patients and families we serve, thank you for your generous donation of NY Mets Baseball tickets for the September 27, 2013 home game.

The families that were able to attend the event had a wonderful time and were very thankful for the opportunity. One of our patients stated that he had the best time. He was able to attend the event with his father. All present at the game cheered on the Mets together. Even though we lost, we had a fun time cheering and enjoying each others company.

I would like to extend my deepest thanks for your contribution. I know all that were able to attend had a great time and those that unfortunately could not attend were very thankful for the opportunity.

Best,
