Dear Friends at the Eugene Zitwer Foundation,

On behalf of the Department of Therapeutic Recreation, Child Life, and the Creative Arts Therapies at NYU Hospitals Center, I would like to extend our sincerest thanks for your funding of our entertainment programs on all three pediatric units as well as the birthday fund on the Rusk Unit.

Over the past 6 months, we were able to provide personalized birthday gifts to 9 patients on the pediatric rehabilitation unit at a cost of around \$540 (approx. \$60 per patient).

The entertainment program that you so generously provide was enjoyed by approximately 245 patients and family members through the course of 6 performances. Everyone continues to enjoy our "regulars" like Looney Louie and Sean Grissom, and DanaBanana.

Once again, we would like to thank you sincerely for your continued support of our program and more importantly our children.

Sincerely,

Lisa Del Guidice, CTRS
Sr. Recreation Therapist
