Dear Mary:

I am truly delighted to thank you and the Directors of The Eugene Zitwer Foundation for your recent gift of \$2,500 in support of our Cardiac Catheterization Laboratory expansion project. Your gift helps us to serve our underprivileged children who are in need of lifesaving heart procedures. We are truly grateful to have the support of The Eugene Zitwer Foundation as the Hospital moves forward with its expansion project which will enable us to offer all of our patients greater options in care.

I look forward to working with you and everyone at The Zitwer Foundation in the coming year.

Thank you again, and I wish you and your family a very happy and healthy new year.

Sincerely,

Mary Lou Murphy  
Director of Development
