

The Brooklyn Hospital Center

Keeping Brooklyn healthy.

January 2024,

Dear Members of the Eugene Zitwer Foundation,

Happy New Year!! We are very grateful to have had your support during this holiday season. It means so much that our pediatric patients are still on your mind year after year. I would like to extend our heartfelt appreciation for your generous donation towards gift cards and sponsoring our holiday party year again this year as we were able to hold our first pediatric hematology/oncology holiday party since 2019! Our patients and their families were absolutely thrilled to be able to celebrate the holiday season together this year after a long absence due to the COVID 19 pandemic. The Brooklyn Hospital Center and Child Life Program had a successful holiday season thanks to your generous help! Our children and their families truly made life long memories celebrating at this year's holiday parties despite their illness.

By supporting our children and families you assist our Child Life Program in providing our patients with much needed normalization during the holiday season. People turn to hospitals in their most vulnerable of times, and the money provided by The Eugene Zitwer Foundation was used to purchase items to help our patients and their families come to the hospital to celebrate instead of receive treatment which is such a powerful and normalizing experience.

We wish you all a happy and healthy 2024 and look forward to working with you again soon. If you have any questions, please feel free to contact me at (718) 250-8514 or tbrower@tbh.org.

Thank you,

Noah Kondamudi, MD. MBA. FACEP. FAAP. CPE

Keeping Brooklyn Healthy

December 19, 2023

Ms. Sharon Weintraub Dashow
The Eugene Zitwer Foundation, Inc.
50 Court Street, Suite 702
Brooklyn, NY 11201

Dear Ms. Weintraub Dashow,

On behalf of The Brooklyn Hospital Foundation, I thank you for The Eugene Zitwer Foundation's gift of \$5,010, which was received on December 12, 2023. Your generous support has underwritten gift cards, food, party entertainment, gift wrapping and holiday crafts and decorations for our Pediatrics Department's Hematology/Oncology holiday party.

Our holiday parties have reunited hundreds of former Hematology/Oncology patients and their families with the physicians and staff that cared for them during a challenging time. Not only are these events wonderful opportunities to celebrate the children's tremendous progress, but thanks to the generosity of organizations such as yours, we are able to provide gifts for needy families this holiday season.

Thanks to your support, we are able to provide joy to the children that need it the most. We wish you a happy and healthy holiday season!

Sincerely,

Deborah Niederhoffer
Vice President & Chief Development Officer
The Brooklyn Hospital Foundation
