Dear Ms. Dashow,

On behalf of Hospital for Special Surgery, I am delighted to thank The Eugene Zitwer Foundation for the wonderful contribution of \$4,840 towards holiday programming and gifts at the HSS Lerner Children's Pavilion. Your generosity is deeply appreciated.

Play is a valued therapeutic tool that promotes expression and healing for the children HSS serves, many of whom are living with challenging orthopedic and rheumatic conditions. The Foundation's support for an array of age-appropriate games, toys, and crafts—including activity boxes for our virtual holiday party—provide entertainment and joy to vulnerable pediatric patients that frequent the HSS Children's Pavilion. In addition to brightening moods and bringing smiles, these items help ease the stress of hospital visits during this special time of year.

Please accept my heartfelt gratitude for The Eugene Zitwer Foundation's renewed partnership and sending you my best wishes for a healthy, joyous new year.

Sincerely,
