Dear Ms. Zitwer-Millman:

I want to thank you very much for your generosity in contributing to the Maimonides Infants and Children's Hospital of Brooklyn over the years. We are sorry you were not able to attend our recent Donors' Reception, but we know how busy your schedule is, especially during these summer months. It was a lovely event and we are enclosing a certificate of appreciation for your support for the Children's Hospital. We are also enclosing a gift from us recognizing your important contribution as a Sapphire Donor. There is no question that without your support we would not have had the beginnings of our Children's Hospital. Your continued generosity will lay the foundation for our future.

At the luncheon we were privileged to introduce our upcoming project; the creation of a new Ambulatory Academic Pavilion inclusive of a special series of apartments for families known as the Casa dei Bambini. Together we hope to build this new building adjacent to our new inpatient facility. This will enhance our ability to provide quality outpatient care. It will also provide a needed respite for families of children who are hospitalized over long periods of time and who come from far away.

Once again, thank you very much for your generosity and we look forward to our continued relationship with you.

An additional note: we are delighted to be cosponsoring, with the Casa dei Bambini, a major fundraiser this coming September 12th to be held at the Surf Club in Westchester County. You should be receiving a separate invitation to this event. We look forward to welcoming you for the evening. We wish you a healthy and happy remainder of the summer.

Very sincerely yours,

A handwritten signature in cursive script that reads 'Steven P. Shelov'.
