

Thank You!

Maimonides Children's Hospital would like to express our sincere gratitude to The Eugene Zitwer Foundation for your very generous donation to support holiday programming for our patients and families at Maimonides Medical Center.

Inpatient hospital stays can be extremely difficult for children and their families especially during the Covid-19 pandemic. With the holiday donation we were able to decorate the unit for the 2021 holiday season and have multiple parties for patients and families. We had a Chanukah, Christmas and New Years Party where children and families were provided with gift cards, activities, a delicious meal and a clown for entertainment!

We can't thank you enough for helping us make the holidays a little more special for the children and families at Maimonides! These events also helped to boost the staff morale. Your outreach is indeed far reaching!
