Dear Ms. Millman:

Thank you for The Eugene Zitwer Foundation's gift of \$783.85 to The Mount Sinai Hospital for the Child Life and Creative Arts Therapy Department / KidZone TV.

By using specially designed therapeutic programs, the Child Life Program seeks to minimize anxiety and stress for hospitalized children and their families. In addition to providing music, art, and video activities for children, our work has been proven to enhance the healing process. We are so grateful for your support of this Program. We thank you for helping to advance the research and clinical excellence that have benefited so many and will continue to do so in the future.

The date above reflects the date we processed your acknowledgment, and does not imply the date your gift was made. While you should consult with your CPA or tax preparer to determine the tax consequences of your donation, the date you delivered or mailed your donation is generally recognized as the gift date. In accordance with Internal Revenue Service requirements, we confirm that no goods or services were provided in exchange for this contribution. Please contact the Office of Development at 212-659-8500 should you have any questions or require additional information.

On behalf of our medical staff and the patients whom we serve, thank you for your generosity.

With gratitude,
