Dear Mary Zitwer Millman and the Eugene Zitwer Foundation,

On behalf of the staff and residents of the Pediatric Department at Rutland Nursing Home, I would like to extend our utmost appreciation for the amazing generosity of the Zitwer Foundation. What an honor it is to have the Zitwer Foundation as a partner, allowing us to create lasting memories for our medically fragile residents. The smiles that the staff displayed as they planned the holiday festivities, and more importantly, on the residents' faces, means the absolute world to us. Living in a nursing home is not easy or ideal, and to be able to provide the residents with holiday spirit, was a gift that cannot be valued!

We utilized the very generous donation in ways that continue to enrich the lives of our residents today. We were able to throw a fun and lively holiday party, that enhanced the holiday cheer on our unit. The gifts that we were able to give to each resident and their siblings, picked specifically to their liking, continue to bring beautiful smiles of joy and appreciation. Being able to create memories for the residents, their families and the staff is one of the greatest gifts of all. This would not have been possible had it not been for the amazing work that the Zitwer Foundation continues to do. Thank you so much for the generosity and support that continues to provide long lasting memories for the residents, families and staff of Rutland Nursing Home.

Sincerely,

Jeff Schwartz, CTRS, MSEd.
