Dear Ms. Sharon Weintraub Dashow,

Thank you and your Board of Directors for renewing your support of Children of Bellevue's weekend playroom at Bellevue Hospital Center. Your grant of \$2080 will help support the salary of Ivana Mann, the wonderful Child Life Specialist who is dedicated to advocating for children and their parents in the hospital every Saturday.

This recent funding is to support the grant period from January 1, 2014 through June 30, 2014; and we will be delighted to send a progress report along with our request for the second half of 2014.

Children of Bellevue, Inc. believes that Children Need More Than Medicine to Thrive and thanks to the support of generous foundations such as yours, we are able to provide them with the innovative, life-changing pediatric programs and services that they need.

Again, thank you for assisting us in providing for the emotional well-being of children during their hospital stay.

Sincerely,

Jean L. Folsom
Director of Development
